GENERAL QUESTIONS

WHICH ORGANISATIONS DOES THE RODAN + FIELDS PRESCRIPTION FOR CHANGE FOUNDATION FUND?

We fund nonprofit organisations in the markets we serve, including buildOn, International Youth Foundation, The Smith Family and WE Charity.

Through the Rodan + Fields Community Fund, we invest in the communities where we live and work. In partnership with the American Red Cross, we provide relief to communities hit by natural disasters. Across the San Francisco Bay Area, we work with local organisations, including Larkin Street Youth Services, Hack the Hood, and Students Rising Above that are tackling youth homelessness, educational inequality, and unemployment in our backyard.

WHAT IMPACT HAS PRESCRIPTION FOR CHANGE HAD ON YOUNG PEOPLE?

With generous support from Rodan + Fields, Customers and Independent Consultants, the Foundation has helped over 1.3 million young people successfully complete school, gain critical life skills and become leaders in their communities. By 2023, we are committed to reaching an additional 500,000.

Meet Jarrod, a young Australian whose family struggled after his mother’s cancer diagnosis. Through the help of an organisation we support, Jarrod succeeded in high school and went on to college. The Rodan + Fields Prescription for Change Foundation funds organisations that provide educational and career-readiness programs to students in the markets we serve. Students in these programs participate in volunteer projects to improve their communities. They gain the knowledge and skills they need to succeed in school, work and life. Many receive financial assistance and mentoring. Thanks to the generous support of R+F Customers, Independent Consultants and employees, we have reached more than one million students in the markets we serve.

Watch a video about Jarrod here.

HOW CAN I GET INVOLVED?

We provide opportunities for Rodan + Fields Consultants and employees to DO GOOD, bring meaning and purpose into the workplace, and spark the change they wish to see in the world. Use our DO GOOD Guide to activate your own service journey locally. Qualifying Rodan + Fields Independent Consultants may apply to participate in one of our annual Change Maker Trips in the markets we serve. Participants serve alongside students, learning about local challenges and helping youth find solutions. Contact us to learn more at pfcfoundation@rodanandfields.com.
