

Health Savings Account/Flexible Spending Account Eligibility Terms

Some of Rodan + Fields products may qualify for reimbursement under Health Savings Account (HSA) or Flexible Spending Account (FSA) plans when they meet specific IRS eligibility criteria for medical expenses.

Coverage varies by plan, provider, and individual circumstances. Eligibility may require a letter of medical necessity from a licensed healthcare provider. Rodan + Fields does not determine eligibility and cannot guarantee reimbursement. Customers should verify eligibility directly with their HSA/FSA administrator.

Information provided regarding HSA or FSA eligibility is for general informational purposes only and should not be considered medical or tax advice.
